A SHORT ROMANTIC STORY

A CAT THAT LOVED A FISH

Yoon Mi-Kyung

*I wanted to
have wings.*

*Because I don't
have them.*

*"Why do people only
desire the things they
cannot have?"*

GRASS
SEA HORSE

BLUE
OCTOPUS
JELLYFISH

CHAMBERED
NAUTILUS

AND...

산갈치 (リョウグ)
 09 魚名 : Regalecus

제13화... 그리고 하반기는
 물빛깔은 은색 바탕에

SANKEI-SANKEI (Regalecus pinnatus)

THIS SAYS "SAN-HOON
TALK FISH IS A SUPER
DEEP OCEAN FISH. IT IS
TEN TIMES BIGGER
THAN NORMAL. HORN
TAIL FISH AND VERY
BEAUTIFUL."

"IN KOREAN, IT IS
CALLED "SANI MOUNTAIN
GAL-CHI" BECAUSE THEY
BELIEVED THAT A STAR
ABOVE THE MOUNTAIN
BECAME A FISH."

When

It says "Gani
Gani-Chi"
because it said it
was delicious!

THEN WHAT
ABOUT THIS
ONE?

WOLF
FISH.

IS IT CALL-
ED WOLF?
BECAUSE
IT'S NOB?

NO, UNLESS
IT'S RARE. IT'S
WOLF.

you
sounded

happy

THIS SCARY
LOOKING ONE
PROBABLY IS
REALLY WOLF.
AND MEAN.

this one.

STRONG UNLESS
HOW IT LOOKS.
WOLF FISH ARE
VERY NICE!

Thank you
everyone then.

IS THAT AN
INSULT OR A
COMPLIMENT?

AH... A SPECIMEN OF THE GOBIAGANTH.

THE FISH THAT LIVED ON EARTH EVEN BEFORE THE TWO-SAURO?

IT'S KIND OF SAD BEING IN THE SPOTLIGHT IN A PLACE LIKE THIS.

TEARS... DROPPED UP IN A BOX WITHOUT A SINGLE DROP OF WATER.

PROBABLY ALREADY JOINING THE COLD AND VAST OCEAN...

AFTER ALL, IT'S
MOST FITTING FOR A
FISH TO BE IN THE
WATER, RIGHT?

YEAH...

THE LURE ONES
ARE SO MUCH
MORE BEAUTIFUL.

"Hope they know we're here!"

"How have you been?"

"That's what's that
next to you?"

"Your girlfriend?"

HERE'S MY LITTLE
SISTER. MY ONE AND
ONLY LITTLE SISTER.

"She's my little sister."

*"My one and only
sister."*

*If we met each other
a little earlier...*

*If we could have spent our
childhood together...*

*Maybe then I could
have...*

*There is real number
to love.*

Has Anna asked
brother?

What?

In order for people to just jump
and not affect the product,
they have to take 1000 capsules
a day in their previous state.

What?

IF THAT'S
TRUE, AREN'T
WE REALLY
AGAINST

WE CAN MEET
EACH OTHER
EVERYDAY LIKE
THIS

WHAT DO YOU
WANT TO EAT
LATER?

CHAMP-
LADS
♡

DO YOU LIKE
THEM?

I LOVE
THEM!

*The words I
wanted to hear...*

Even with
our-cut
hair?

That's
good!

I wanted wings...

*The wings that I
could never have...*

But that's a secret...

If you the body of a fossil from the geologically era, not a the
old fossil can easily find a space. The fossil can the brain and
bone to with the fossil the same place. It can be found through
the fossil but it can also be found with large. This is a "fossil fossil"
that shows the conditions and the fossil conditions.

*My love is still
sleeping.*

OUR LOVE THAT FEEL ASLEEP.
